Material Obligation Validation in NAVSUP OTS

1   Navigate to www.onetouch.navy.mil/static_ots/index.html

2   Click "LOGIN TO NAVSUP OTS"

3 Click "Acknowledge" and select Credentials

testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
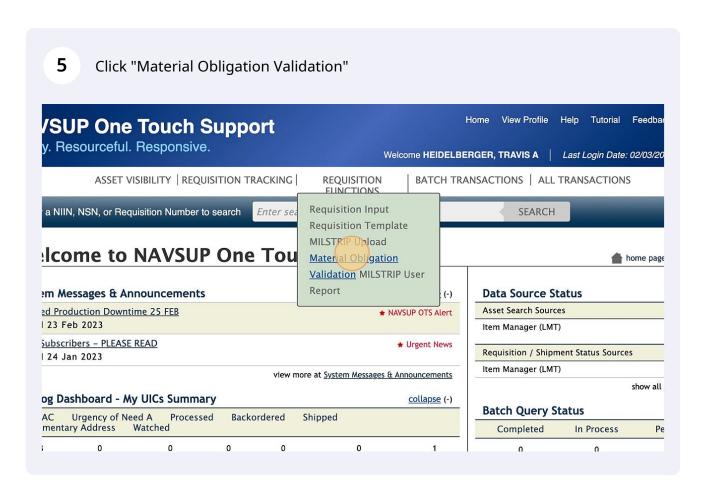

- At any time, the USG may inspect and seize data stored on this IS.

- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose.

- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.

- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

- The data contained in this system is Business Sensitive and For Official Use Only (FOUO). The user is responsible for protection of data extracted, saved or printed from this system.

Per NAVADMIN291-19, this site now accepts Personal Identity Verification (PIV) Public Key Infrastructure (PKI) certificates as well as Department of Defense (DoD) PKI certificates.

Acknowledge
